

JOAB TEMOTIO

Full Stack Developer

Saint Augustine, FL • 207-752-7770 • joab.alex@gmail.com • joabera.github.io • [LinkedIn](#)

PROFESSIONAL SUMMARY

Full Stack Developer with a B.S. in Computer Science from Florida State University and hands-on experience building and deploying production web applications using React, Node.js, JavaScript/TypeScript, SQL, and REST APIs. Experienced across the full application lifecycle including frontend development, backend integrations, database management, and cloud deployment. Fluent in English and Portuguese. Passionate about scalable software engineering and continuously expanding expertise in AWS cloud technologies.

TECHNICAL SKILLS

Frontend: React, Next.js, Vue.js, HTML5, CSS3, Responsive Design

Backend: Node.js, Express.js, PHP, REST APIs, JSON, JWT Authentication

Databases: MySQL, PostgreSQL, MongoDB, Firebase

Cloud & DevOps: AWS (EC2, S3, IAM), Git, GitHub, Docker, CI/CD, Linux, Bash, SDLC, Unit Testing

Languages: C++, Python, JavaScript, TypeScript, PHP, SQL

Tools & Methods: NPM, Agile (Scrum, Kanban), WordPress, OOP, Data Structures

Spoken Languages: English (fluent), Portuguese (fluent), Spanish (basic/intermediate)

PROFESSIONAL EXPERIENCE

Full Stack Developer & Project Coordinator | *SwimRise Aquatics / WeRise Foundation* 2024 – Present

- Designed, developed, and deployed five production websites (SwimRise Aquatics, WeRise Foundation, SwimRise Academy, SwimRise Shop, and WeRise Swim Summer League) supporting aquatics education, e-commerce, and nonprofit operations using React, Node.js, PHP/WordPress, JavaScript, and HTML/CSS.
- Integrated RESTful APIs for payment processing, lesson scheduling, and customer onboarding workflows, reducing manual administrative tasks by 60% and enabling automated end-to-end transactions for 100+ active clients
- Manage MySQL/PostgreSQL databases supporting scheduling, payments, and user accounts across multiple production websites serving hundreds of users; perform daily updates and maintenance to ensure uptime and performance.
- Maintain Git/GitHub version control across all projects including branching strategies, commits, pull requests, and issue tracking to support reliable iterative delivery.
- Coordinate cross-functional work across development, events, and operations teams, applying Agile-style planning (Scrum/Kanban) to manage project timelines and deliverables.

Marketing & Website Manager (Part-Time) | *Aqua Elite* 2018 – 2022

- Managed and maintained the company's primary website over a multi-year tenure, ensuring content accuracy, consistent branding, and optimal performance.
- Produced marketing assets using Adobe Photoshop and Illustrator to support product distribution and brand presence in Brazil.
- Provided bilingual (English/Portuguese) customer service and stakeholder communication, supporting operations across U.S. and Brazilian markets.

IT Support (Contract, Remote) | *One Line Design Studio* 2018

- Delivered technical support and system setup for small business clients, ensuring minimal downtime and smooth onboarding.
- Installed anti-malware and backup solutions to protect client data and systems from security threats.

PROJECTS

PokeGuess — Pokémon Image Classifier | *Python, PyTorch, OpenCV, Tkinter*

GitHub: github.com/Joabera/PokeGuess

- Developed a deep-learning image classification application using PyTorch and ResNet-18 (ImageNet pre-trained, re-headed for 150 classes) that achieves accurate recognition across all 150 first-generation Pokémon.
- The model achieved an accuracy of 89.87% on the validation set and 98.86% on baseline.
- Designed a two-phase training pipeline: baseline model on color photos with standard augmentations, then fine-tuned on pencil-sketch transformations (grayscale, invert, Gaussian blur) for robustness on hand-drawn inputs.
- Trained with Adam optimizer and StepLR scheduling with per-epoch checkpointing; deployed a Tkinter GUI supporting live predictions from disk or clipboard with softmax confidence scoring.

EDUCATION

Bachelor of Science in Computer Science, Cum Laude

Florida State University

GPA: 3.6 / 4.0

Aug 2021 - May 2025
